From: Scott Jansen
Division Administrator 
Subject: WIOA/WIA Performance Negotiations for Program Year 2015

The Division of Employment and Training completed the Workforce Innovation Opportunity Act (WIOA)/Workforce Investment Act (WIA) Performance Target discussions for the Program Year 2015 (PY15). Although most WIOA provisions take effect on July 1, 2015, the WIA performance accountability system remains in effect for PY15.

This letter serves as official notification advising your Workforce Development Board of the agreed upon WIOAWIA PY15 performance targets. A copy of the performance targets are enclosed with this letter (Attachment 1).

We look forward to working with you and your staff throughout the program year. Best of luck!

If you have any questions, please contact Bryan Huebsch at bryand.huebsch@wisconsin.gov or 608-261-0713.
