## **Find Your Dream Job at the Fond du Lac Job Fair; April 5 Hiring Event to be Held at Fairground Expo Center**

After a two-year hiatus, the annual Fond du Lac Job Fair will return to the Expo Center at the Fond du Lac County Fairgrounds, 1-4 pm on Thursday, April 5, 2018. The fairgrounds are at 520 Fond du Lac Avenue, Fond du Lac.

Local workforce partners, including the Fox Valley Workforce Development Board and the Wisconsin Department of Workforce Development, sponsor the recruitment event held at 529 Fond du Lac Avenue, Fond du Lac.

This will be a major job fair for the area, addressing the employment needs of 2018 high school graduates seeking work after graduation, individuals recently laid off from Saputo Cheese or Younkers who would still be seeking roles and the general public who might be looking to make a career change or seek a role with higher wages in this very tight marketplace. Although the region has seen some recent layoffs, the most recent unemployment rate in Fond du Lac County stands at a record breaking 2.2%.

“If you are unemployed, are looking for a salary or responsibility, or are just tired of your current boss, don’t miss this hiring event,” said Anthony Snyder, CEO of the Fox Valley Workforce Development Board.

This fair represents an opportunity for all seeking jobs at all levels of education, experience and skills.

Some employers will offer on-site interviews while local job service partners will have information about additional educational opportunities and job search assistance.
