Drive-Thru Job Fair Planned for Oshkosh Area

OSHKOSH, Wis. — A Drive-Thru Job Fair is planned for April 22nd from 3pm to 6 pm at the Oshkosh Chamber of Commerce, 120 Jackson Street, Oshkosh. Packets with career opportunities from 75 companies will be handed out to interested job applicants.

Due to COVID concerns for an in-person job fair, this drive-thru job fair is designed to get information about career opportunities into the hands of those seeking a new role. A reminder that we want to help you with your job search and keep you safe.

- **You won't need to exit your car and kindly wear a mask.**
- **You'll receive a bag with positions available at local companies that are hiring now and they are tailored to your region;**
- **When you arrive, follow the traffic flow and wait patiently while others are served;**
- **There will NOT be anyone who can assist with Unemployment Insurance claims at this event and we ask that only those seeking a new role stop by for a packet;**
- **There is a limited supply of packets available - first come, first served.**

Patti Andresen-Shew, Oshkosh Chamber of Commerce commented, “This is a great way for job seekers to learn about the numerous opportunities available in the Oshkosh area and understand how to apply to businesses that are looking for candidates. The Oshkosh Chamber of Commerce

is pleased to be partnering with the Fox Valley Workforce Board to assist businesses in getting the word out on companies that are hiring.”

“We know the pandemic has had a great impact on the hiring process, as many local employers and job seekers have sought to utilize what may have been previously unfamiliar methods of recruitment and career development,” said FVWDB CEO Anthony Snyder. “A drive-thru job fair is just one of the many creative ways our workforce partners can keep our economy growing, fill open roles and ensure everyone begins the summer fully employed.”
