Fox Cities Job Center – Menasha Now Open for Limited, In-Person Appointments to Conduct Job Searches

The COVID-19 pandemic led to the shutdown of businesses across the country; our local American Job Centers included. As unemployment numbers skyrocketed and then dropped to more manageable levels, the job centers continued to offer virtual services via telephone or other means. For those without computer or internet access, they were cut off from a vital resource to re-enter the workforce. With COVID infections on the decline and vaccinations on the rise, we are pleased to announce the Fox Cities Job Center, 1802 Appleton Road, Menasha, is now open for limited, in-person appointments by calling 920-997-3272. No walk-in appointments are available.

Appointment details:

- Appointments are 50 minutes in length. A maximum of two appointments per week, per person, can be scheduled.

- Appointments will only take place Mondays 8:30 am-12:30 pm, Tuesdays Noon-4 pm, Wednesdays 8:30 am-12:30 pm, and Thursdays Noon-4 pm.
- Visitors must have basic computer skills to independently navigate the computer's operation. Staff are available for limited assistance to adhere to 6-feet of social distancing. One additional person can be brought to the appointment to input data into the computer if necessary.
- Properly worn face masks by all staff and visitors are required.
- Job center staff continue to provide job searching and career exploration services via phone, email and other virtual platforms.

Individuals who have been laid off or are ready to begin a search for a new career are encouraged to call or complete the form at foxvalleyjobcenters.com to find a supportive professional ready to provide assistance. You may qualify for free retraining.
