Winneconne Area Job Fair Now Accepting Employer Registrations; July 19 Recruitment Event in Conjunction with Sovereign Days Event

The Winneconne Area Job Fair is now accepting employer registrations for the first ever recruitment event held in conjunction with the Sovereign State Days celebration, 2-5 pm, Thursday, July 19, 2018. The event will be held at the Winneconne High School 100 Wolf Run, Winneconne. A limited number of booths are available for just \$50 at <http://www.foxvalleywork.org/jobfair.html>.

“We know there are thousands of individuals in our area who are unemployed, underemployed or unhappily employed,” said Anthony Snyder, CEO of the Fox Valley Workforce Development Board, one of the event’s sponsors. “Just as the Sovereign State Day events celebrate, tongue-in-cheek, Winneconne’s accidental omission from the official 1967 Wisconsin State Maps due to a printing error, this job fair offers a chance for people to declare their independence from whatever is holding them back from their dream jobs.”

This job fair will highlight career opportunities in western Winnebago County and is presented in partnership by the Village of Winneconne, Greater Oshkosh Economic

Development Corporation, the Wisconsin Department of Workforce Development and the Fox Valley Workforce Development Board.

The most recent unemployment rate in Winnebago County stands at 2.7% (as of 3/31/18, according to Bureau of Labor Statistics). Employers need to do everything possible to connect with future employees and this job fair will help businesses build a bridge to talent.

Questions about the job fair should be directed to Kevin Virobik, DWD, at 920-360-6835 or kevin.virobik@dwd.wisconsin.gov.

Details for job seekers will be made available at a later date. Keep an eye on the Fox Valley Job Center web site for more information at <http://foxvalleyjobcenters.com>.
